State Goals and Objectives

THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

THE STATE OF TEXAS PUBLIC EDUCATION GOALS

GOAL #1: The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language.

GOAL #2: The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.

GOAL #3: The students in the public education system will demonstrate exemplary performance in the understanding of science.

GOAL #4: The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

Objective #1: Parents will be full partners with educators in the education of their children.

Objective #2: Students will be encouraged and challenged to meet their full educational potential.

Objective #3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.

Objective #4: A well-balanced and appropriate curriculum will be provided to all students.

Objective #5: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective #6: The state's students will demonstrate exemplary performance in the comparison to national and international standards.

Objective #7: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective #8: Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.

Objective #9: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Student Academic Achievement

Student Academic Achievement Summary

Teachers have been trained on how to read and analyze data reports from Aware, Tango, and eSchoolPlus Failure Reports. Teachers meet weekly for grade level meetings and planning. All teachers, including tutorial teachers, have been trained in using supplemental resources and planning for differentiated instruction.

A student group that performed less than or equal to the state average is identified as a priority. Based on the review of the data, best practices will be used to address the priority areas of need. Objectives of the Campus Improvement Plan delineate a variety of research-based strategies and are used to address the areas of need.

Student Academic Achievement Strengths

Hudson Elementary students Met Standard in State Accountability Rating. We also received the following Distinctions: Academic Achievement in Reading/English Language Arts, Academic Achievement in Mathematics, and Post Secondary Readiness.

Student Achievement Needs:

1. Increase fluency and comprehension across grade levels
2. Provide supplemental instructional support, resources, and general supplies to support classroom instruction
3. Increase extended day, tutorial, small group, and one-to-one opportunities for students who are performing below grade level
4. Increase opportunities for technology in the classroom
5. Increase Professional Development opportunities for teachers
6. Monitor language acquisition of bilingual students to show academic progress.
7. Increase participation of students in full day PK3 and PK4 programs
8. Increase opportunities for data analysis meetings with administration and special education teachers
9. Recognize and award student participation in academics, perfect attendance, AR, UIL, Brainsville, Chess, etc.

School Processes & Programs

School Processes & Programs Summary

In order to begin the preparation of college readiness, Hudson Elementary works to provide a state-of-the art, high quality education Curriculum, Instruction and Assessment is TEKS and data driven. Teachers follow BISD curriculum and supplement with state adopted textbooks and STAAR resources. Grade levels plan together and turn in weekly lesson plans, HOTS questions, and tests. Grade levels meet weekly with Administration to review assessments recording strengths and weaknesses. Students performing below grade level are grouped, placed on RTI's, and intervention procedures started. Students are recognized for passing scores, commended scores and for showing growth on six weeks benchmarks. After school tutorials are available for grades PK-5th. In addition, students are provided opportunities to learn through the use of technology in the areas of math, reading, writing, and science (i.e. laptops, math and science software, websites). Hudson Elementary strives to become a technology rich campus with many technological applications that will support learning.

Hudson Elementary uses a hiring committee composed of administration and faculty members. During interviews each committee members scores the applicants performance. Candidates are rated and decisions are made by the hiring committee. New teachers are assigned a mentor and are allowed time to observe other teachers and campuses. The T-TESS time lines are followed throughout the school year. Teacher T-TESS performance records are kept by the school principal. Administrators also provide observations and evaluations to paraprofessional staff. Novice teachers are provided a grade-level mentor and an administrative mentor so that they have success in their profession.

The faculty and staff are notified of all campus activities and professional development through newsletters and emails. Each grade level and department has a lead teacher which is the main contact for the group. The lead teacher is responsible for grade level reports, acts as a voice for the team. The Campus handbook which includes all forms and schedules is reviewed and given to each faculty member at the beginning of the school year through the campus public server. Communication with parents is maintained on a daily basis through weekly folders and Class Dojo. Communication through newsletters, lead teachers, and email, and website is essential in the overall leadership and organization of the campus.

The campus TST needs: in the area of computers which include hardware and software. In addition the TST provides technical support for teachers and notifies teachers of professional development. TST assists teachers in the instruction of Technology, TEKS and activities.

Perceptions

Perceptions Summary

As part of our Campus Needs Assessment, we provide parents, teachers, and students with surveys and questionnaires in order to enable them to provide feedback about how to improve and better serve our campus stakeholders. There is a lack of instructional technology and web-based technology in all classrooms. In addition, there is a need encourage staff to commit to quality work, incentives, and instruction in order to provide a safe and welcoming environment for all campus stakeholders. We need to increase participation in our weekly parental involvement meetings. Our campus needs to provide more on-going classroom management and data analysis teacher trainings.

Perceptions Strengths

PERCEPTION STRENGTHS:

- Administration is visible and available throughout the campus.
- Our school provides a clean and safe learning environment for all campus stakeholders. (Based on CNA 17-18)
- High expectations
- Parental Involvement Activities and meetigs
- Immediate feedback from campus administration by providing a weekly newsletter that includes recent developments, campus procedures, calendar, professional development and relevant school activities.
- Active participating in health and fitness, Fitness Gram, CATCH activities
- Positive faculty & staff culture
- Variety of after-school activities

PERCEPTION NEEDS:

1. Increase parent participation in weekly meetings and activities in an effort to improve family engagement
2. Increase parent/teacher communication through different sources
3. Increase all stakeholder participation in surveys, campus, and district initiatives
4. Decrease student perception of bullies on campus (52% of students on 2018 CNA Survey) through counseling presentations
5. Increase college and professional awareness amongst all stakeholders

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The Campus operating a schoolwide program will conduct a comprehensive needs assessment of the entire school that includes:

- Information on academic achievement of students in relation to the State Academic Standards, especially the needs of the students who are not meeting academic and state standards or who are At-Risk of failing in meeting these standards.
- SBDM meeting held in March and April for the development of the CIP.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Campus Improvement Plan has been developed as a committee with the SBDM members. SBDM members take information to other campus personnel and review and discuss changes, needs, and improvements.

* SBDM meetings held in December/April

2.2: Regular monitoring and revision

Every SBDM meetnig time is dedicated to review, update and make the formative review as a committee for the CIP.

*SBDM meetings held in December, April, and May

2.3: Available to parents and community in an understandable format and language

Campus Improvement plan is available and in an understandable format and language. CIP is in English. Any parent wanting the CIP in any other language may request translation from any of the SBDM members.

2.4: Opportunities for all children to meet State standards

Hudson Elementary gives students numerous opportunities to meet State standards such as:

- SSI tutorials
- Year long Extended Day tutorials until 5:30 PM
- Regular tutorials
- Community Presentations
- Hands On activities
- Academic Resources (1.1.2, 1.1.4, 1.1.7, 4.2.1)

2.5: Increased learning time and well-rounded education

Hudson Elementary strives to increase teacher preparation with professional development to bring back new strategies to the classroom to increase learning time. Hudson Elementary also brings community members to educate our students in all areas and expose them to real life experiences and create well rounded students and also by implemented various extra curricular opportunities.

- * Tutorials
 - *EDEP
 - *Dyslexia Program
- (3.1.1, 3.2.1, 7.1.1, 9.2.4)

2.6: Address needs of all students, particularly at-risk

At risk students are constantly monitored through the DATA wall located at the deans office in every grade level meeting.

At risk students are placed on TIER II or III and given small group instruction with interventions.

7.1.1, 7.1.5, 9.2.4, 9.2.5)

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)
