

# Hudson Chess Club

**I have received a copy of the Chess tournament schedule for the 2019-2020 School year and I understand that:**

- **my child must maintain an Academic passing average of 70 in order to be able to participate in any tournament.**
- **my child will be registered to play in their designated playing section in both regionals and local tournaments**
- **if my child does not attend a tournament they have been registered to attend, I am responsible for reimbursing the school any fees that have already been paid.**
- **in order to qualify for Nationals my child must attend three tournaments with Hudson Elementary before regionals.**
- **my child must attend at least one tournament by October 15, 2019 in order to be eligible to attend afterschool practice.**
- **I am responsible for obtaining clearance from BISD before the first tournament**
- **my child will practice good sportsmanship at all Chess events.**
- **I will be vigilant of my child at all times during any Chess event and make sure that they are respectful to others property.**

**Thank you so much for your cooperation. We are looking forward to a successful Chess Year.**
