Background: What training, experience, and background qualify you for this position?

Beto O'Rourke:
As a member of the City Council, I balanced a budget each year and ensured we were creating opportunity for everyone -- fighting for public schools, good paying jobs and a community that treated everyone with respect. As a Congressman, I've worked with both parties to write legislation including laws that improve access to health care for veterans.

Health care: What specific reforms, if any, would you propose in health care policy to address the cost of and access to health care?

Beto O'Rourke:
As the least insured state, we should be working to ensure every Texan can see a doctor, afford their prescriptions, and get the care they need so they are healthy enough to go to school, work a job, and live to their full potential. We must also work together to end the maternal mortality crisis in this country. Finally, let's lower prescription costs, safeguard Medicare, expand Medicaid, defend protections for those with pre-existing conditions and achieve guaranteed, universal health care.

Immigration: What changes, if any, should Congress make in immigration policies?

Beto O'Rourke:
We need to rewrite our immigration laws to reflect our interests, our values, and the reality on the ground in Texas. Recognizing we are a nation of laws that can maintain order at the border
